

# Energy Price Fact Sheet

(Effective 1 April 2018)

This fact sheet sets out Delta Electricity's, ABN 75 162 696 335, standing offer electricity prices for small retail customers in New South Wales, Australian Capital Territory, Victoria, Queensland, South Australia and Tasmania.

The standing offer prices below are applicable to small customers in all distribution areas.

## Delta Electricity Standing Offer Prices

Applicable Charges	Unit	Excluding GST	Including GST
All Usage	c/kWh	45.00	49.50
Daily Supply charge	c/day	225.00	247.50

The charges above are applicable to customers with all types of meters installed, including controlled load, time-of-use and accumulation meters.

*kWh* stands for kilowatt hour and is the unit of measure for your electricity bill.

*Daily Supply Charge* means a charge that applies for supplying electricity to your premises for each day.

The following fees, charges and other terms also apply to small customers under this standing offer:

## Other Fees and Charges

Fees	Price (including GST)
Account establishment	\$100.00
Disconnection	\$60.00
Reconnection	\$60.00
Late Payment Fee	\$50.00

We may vary the prices and fees applicable to customers under this standing offer by written notice to your email address as previously notified to us or the street address of your premises.

For full terms and conditions, please refer to the standard retail contract for small customers on our website in conjunction with this Energy Price Fact Sheet. ([www.de.com.au/about-us/retail-energy/customer-information](http://www.de.com.au/about-us/retail-energy/customer-information))
