

ANNOUNCEMENT

SUNSET POWER INTERNATIONAL TRADING AS DELTA ELECTRICITY

On and from 17 December 2015, Sunset Power International Pty Limited acquired the Vales Point Power Station and certain other related assets from the state-owned corporation known as Delta Electricity. Sunset Power International Pty Limited also was entitled to use the business name, intellectual property, and website in the name Delta Electricity. This included Sunset Power International Pty Limited acquiring the registered business name, Delta Electricity.

Accordingly, the legal entity remains the same, Sunset Power International Pty Limited will be trading as Delta Electricity using the continuing the Delta Electricity brand.
