# Energy Price Fact Sheet

The charges above are applicable to customers with all types of meters installed, including controlled load, time-of-use and accumulation meters.

*kWh* stands for kilowatt hour and is the unit of measure for your electricity bill.

*LGC, STC, ESC* and *VEEC* Charges for a Billing Period is an amount calculated as the actual metered consumption of electricity at a Connection Point for the Site, adjusted by the applicable Loss Factors, multiplied by the LGC, STC, ESC or VEEC Rate (determined as the product of the LGC, STC, ESC or VEEC price in \$/certificate and the renewable power percentage).

The following charges and other terms also apply to customers under this standing offer:

Other Fees and Charges	
Fees	Price (including GST)
Account establishment	\$100.00
Disconnection	\$60.00
Reconnection	\$60.00
Late Payment Fee	\$50.00

All Network and Metering Charges will be passed through at cost.

We may vary the prices and fees applicable to customers under this standing offer by written notice to your email address as previously notified to us or the street address of your premises.
