Careers

Delta Electricity is a leader in the generation of electricity in Australia, committed to environmental best practice, sustainable development and strong community relationships. We are keen to recruit people who are seeking a challenging, varied and rewarding career.

We employ around 280 people across two sites - our office in the Sydney CBD and at Vales Point Power Station on the Central Coast where you can enjoy the benefits of living in an attractive regional area which has all the essential services and is close to Sydney.

There are a host of career opportunities. Engineering, Trades and Environmental Management, Finance and Commercial Purchasing, Project Management, HR, Administration and Occupational Health and Safety are just a few.
