Starlight Express Room

In 2019 Delta committed to fund the much needed refurbishment on the Starlight Express Room at the John Hunter Hospital.

Included in the refurbish project is;

- four new gaming stations;
- interactive entry;
- face painting station;
- media screen; and
- new technology for the control room.

The opening of the new facilities was planned for March 2020. Unfortunately, this has not been possible due to COVID-19 restrictions prohibiting non-essential events and visitors. When it is safe to do so, a new launch date will be scheduled.

In the meantime, Starlight are continuing to deliver their programs to sick kids both in and out of hospital:

Starlight has kindly produced a special thank you video for Delta revealing the refurbished Starlight Express Room.

The logo features a dark purple rectangular background. On the right side, there is a cluster of yellow stars of various sizes and shapes, some with soft, glowing halos. The text "Starlight" is written in a large, yellow, cursive font, and "Children's Foundation" is written below it in a smaller, yellow, sans-serif font. A large, prominent yellow star is positioned at the bottom center of the logo area.
